

RIO VISTA FC COMPETITIVE TEAM MANAGER GUIDE

Welcome to Team Soccer Stop! As a Team Manager for Rio Vista FC, you are in great hands. Your club has established a partnership with Soccer Stop based on the confidence that purchasing your team uniform will be an easy and positive experience. Recognizing that the position of Team Manager can be a large and time consuming responsibility, we will do our best to make this part as simple as possible.

The information listed below is provided to give you a clear understanding of the relationship between the club, the team manager and Soccer Stop, including how Team Soccer Stop and your club have structured the ordering process. Following these guidelines will help to ensure that your team is well prepared for the upcoming season.

New for 2010, Soccer Stop has teamed up with a local soccer retailer in Albuquerque – Soccer Connection. Soccer Connection will be able to assist you in your team fittings as well as any “at once” uniform or soccer gear needs.

General Function

As the key administrator for the team, the team manager will serve as the liaison between the club, their respective team, and Team Soccer Stop. He/she will serve as the single point of contact for the team regarding sizing, ordering, delivering, etc.

Team Manager Responsibilities:

1. Establish a working relationship with the Team Soccer Stop staff to help facilitate an accurate exchange of team order information and an understanding of the uniform and equipment ordering process.
2. Provide a single point of contact for team members to establish the team’s uniform and equipment needs.
3. Coordinate with Team Soccer Stop staff, the scheduling of a team sizing session for new uniforms, within established product ordering/receiving timeframes.
4. Represent the team relative to the uniform order:
 - a. Collect payment from individual team members prior to receipt and distribution of uniforms.
 - b. Communicate to Team Soccer Stop and track any additions/changes made after the initial team order has been placed with Team Soccer Stop.
 - c. Identify, with assistance from coach and parents, any additional equipment needed and order with Team Soccer Stop, as appropriate.

Team Ordering

Team Managers should call Soccer Connection (505-797-5575) to schedule an in-store appointment for a team fitting. You may begin to schedule your team fittings after your tryouts are finished and your teams are formed. For all other inquiries please contact Chris Gilchrist at 888.220.8418 x 125 or chrisg@soccerstop.com.

Team orders placed after February 20th for the spring and after August 1st for the fall seasons will not be guaranteed delivery in time for the beginning of the spring or fall seasons respectively.

Delivery

Once your order is complete, team managers will be contacted via phone or email to arrange to pick up the order or have your order shipped directly to you. Full team orders will be shipped directly to the team manager or other designated individual. Shipping rates will be determined by the size of the team order.

Team Equipment

Additional team equipment such as balls, cones, scrimmage vests, training t-shirts, and fan package merchandise, etc., can also be ordered through Team Soccer Stop or through your local supplier – Soccer Connection at 505-797-5575. Orders may be placed via email, fax or over the phone.
