

To All Coaches: TOURNAMENT CONDUCT

The following are guidelines for the tournament. Please inform your parents and players of these guidelines, sign below to indicate that you have done so, and **bring the signed form with you to registration**. Please keep in mind that these guidelines will be strictly enforced. If you have any questions, please let us know.

We are very interested in doing all we can to see that you have a very positive experience at our tournament. In recent years the amount and level of misconduct by players, coaches and spectators at soccer games around the country has increased. In an effort to curb this trend and improve your time with us, we feel it necessary to give you our guidelines for conduct at our tournament. Often it seems that spectators in particular are unaware of proper conduct.

- 1) No coach, spectator, or bench personnel are to enter the field of play during a game, **particularly** if an incident occurs on the field. Coaches and substitutes may enter the field only when indicated to do so by the referee.
- 2) Only the team captains or coaches of the team may address the referee before, during or after a game, and then only for the purpose of information, not to question decisions. Remember, this applies from the time the referee arrives at the venue until he/she leaves, not just during the game.
- 3) Under NO circumstances should anyone ever touch a referee. Please be aware that just touching a referee can be judged as referee assault.
- 4) We are interested in providing the best refereeing we can, and a significant amount of effort goes into that process. As such, we desire your feedback about the job we do. Please do not directly address referees with your comments. Instead, put your comments down **in writing** and give them to one of the Field Marshals or any Tournament Official. We will forward those comments on to the Referee Administrators and will also use the information to improve our referee scheduling in the future.

Violation of these guidelines can result in barring the offending person(s) from the fields, suspension or cancellation of games, or ejection of person(s) or teams from the tournament. Also, all infractions will be reported to state associations.

I have received copies of the official tournament schedule and tournament rules and have notified my parents and team of these rules and guidelines.

Any coach that is red carded shall be expelled from that game, must leave the field of play to the satisfaction of the referee, and is automatically disqualified from coaching their team at any time during their next scheduled tournament game.

A fan or parent displaying behavior that is unacceptable to the referee can cause their coach to be red carded and ejected. The coach is responsible for control of their spectators and sidelines. Any player or coach receiving a red card, who then plays in or coaches the next scheduled tournament game, will cause their team to automatically forfeit that game.

Each red card a team receives will result in a loss of 2 points.

Any player, coach, or spectator who enters the field during a fight will be ejected from the tournament, regardless of the reason for entering the field.
